

THE GOVERNOR GENERAL · LA GOUVERNEURE GÉNÉRALE

I am pleased to send greetings to everyone taking part in the 4th Virtual Career Expo, organized by the International Talent Acquisition Centre (In-TAC).

Canada is a society open to the world, where the possibilities are endless. When we work together, when we share our knowledge and our talents, we can achieve great things.

In-TAC connects employers with professionals, making communities across Canada more vibrant and helping them to grow. The expertise of newcomers is so important and brings so much to this country. By helping businesses to meet their staffing needs and by supporting professionals trained abroad who are looking for employment here, In-TAC is doing its part to build a better Canada.

In-TAC's Virtual Career Expo is sure to set you on the right path as you find your way in Canada. Together, we can move mountains!
