

Premier of Ontario - Première ministre de l'Ontario

A PERSONAL MESSAGE FROM THE PREMIER

On behalf of the Government of Ontario, I am pleased to extend warm greetings to everyone participating in the 4th Virtual Career Expo, an event organized by the International Talent Acquisition Centre (In-TAC).

I want to thank In-TAC for its commitment to matching internationally trained professionals to Canadian job opportunities, in part by giving this valuable opportunity to new immigrants to obtain jobs before their arrival, and to Canadian businesses to tap into a broad pool of international talent.

My colleagues in the Ontario government and I are committed to helping immigrants and refugees settle and succeed. That is why we have invested in a range of programs to assist newcomers — from the Ontario Bridge Training Program that helps skilled immigrants find jobs in Ontario to the Adult Non-Credit Language Training Program that enables eligible adult immigrants and refugees to learn the English or French skills that they need to live and work in Ontario.

I offer my sincere best wishes for a successful and productive career expo.
