LA LIEUTENANTE-GOUVERNEURE DE L'ONTARIO

April 19, 2018

It is with pleasure that I extend warm greetings to all taking part in the In-TAC 4th Virtual Career Expo.

Since its inception, this event has connected nearly 100 Canadian employers with thousands of professionals from more than 60 countries. Such an impressive record demonstrates what can come from international engagement as well the embrace of inclusion and diversity, ideals that underpin our country and make us resilient in the face of an ever-evolving economy.

I encourage all participants to enjoy this tremendous networking opportunity. You have my best wishes for success.
